BELDURREZKO
ZINEMAREN ASTEA

The poster is a vibrant collage of horror and fantasy imagery. At the top left is a large, grotesque alien head with multiple eyes. In the center, three men in dark clothing are prominently featured: one on the left holds a handgun, the center man holds a crucifix, and the man on the right holds a shotgun. To their right is a man in a suit with a bloody tie. The background is a swirling mix of green and blue, with faint, sketchy faces and symbols. At the bottom, there are more horror elements, including a disfigured body on the left and a cartoonish, bloody creature on the right. The overall tone is dark and macabre.
